Baggage All Ages

Rooms 201-204

Presented by Ground Zero Master's Commission www.groundzero.school

It is hard to run the race God has for us when we are carrying around a ton of baggage. The Baggage Breakout examines how EVERYONE gets baggage as we go through life, we can't help it. For some of us it was a parent, or a teacher, a friend, or just our environment which has given us our baggage, and now its hard to see the truth through all of our lies and baggage we carry. When most people try to deal with their baggage they end up creating more with alcohol, addictions, relationship etc.; but Jesus outlines His plan for dealing with baggage and it's the only one that can set you free. This breakout will examine the gospel narrative of the prodigal son and how to deal with our baggage within the light and the lens of scripture.

How to Finish the Race Victoriously All Ages

Presented by Jimi Cravity

Main Hall

www.jimicravity.com

How do you continue to walk by faith when life takes a wrong turn? In 2013, Jimi's two-and-half-year-old son, Britain, was diagnosed with liver cancer. Within a few short months, Britain went to heaven. "I was heartbroken and full of grief, but it never felt like God was distant or far off. It seemed like He was in the room with me throughout all of it," Jimi recalls. Even today, as he remembers moments in the hospital spent praying for healing, he also recalls moments of worship, windows of beauty and inspired creativity. In the midst of one of the most searing types of loss a person can experience, God was continuing to cultivate the talents He had instilled within Jimi his entire life. Jimi will share his testimony of salvation and God's continued grace and healing in the midst of real life challenges in the marathon of a life of worship.
