

Conference Council on Youth Ministry present:

# One Day 2019

## April 6, 2019

**One Day 2019** is a Conference-wide Missions Day for Youth Groups. It provides an opportunity for youth groups to do a short-term, local missions project and bring back skills and experience to do that locally at their church or immediate surrounding area.

This will be the fourth One Day project, and will be targeted for the Easton District, since this is the only district we've not had one in. The location for check-in, dispersion and gathering back would be St. Mark's UMC in Easton, MD. Groups will register in advance via an online web page. The cost is \$15 per person, covering a bag lunch and a t-shirt, which will be provided.

The groups' mission will be to do general maintenance at churches in need throughout the Easton District. The future takeaway is they can then do this in their own districts or their own churches.

The groups would meet with a representative (from that church) at each church who will explain what needs to be done and answer any questions about the work. Tools would be provided by the locations, based on the work needed. It would be the responsibility of the location to make sure any and all supplies needed for the work would be provided - including any protective clothing/items, if needed.
